Ward

Ward 17 - Capital

Q4

To reach our collective potential, we must work together to build up Ottawa. That requires a council in which each member commits to city wide leadership. What is your intended approach to collaboration with council, city staff and economic partners?

I am committed to collaborating with all levels of government, council, city staff and economic partners in a collegial way as is in keeping with my training as a mediator and experience in business. I will work collaboratively with whichever mayoral candidate is successful, within whatever system is in place.

Q5

What key characteristics and skills do you possess that make you a great leader and ambassador for the city of Ottawa, and the national capital region?

Experienced. Effective. Educated. Empathetic. Balanced.

I am a capable, strong female leader who will work to build a brighter future for capital ward.

I first moved to Capital Ward as a two year old and moved back to Ottawa 12 years ago.

I am mother to four, a Carleton University PhD alumnus and law professor, an MBA grad, a lawyer, and a partner in a law firm.

I have been a contributing member of the business world and community in Ottawa for 12 years. I love this city. I have a wide breadth of experience and deliver results.

Q6

What are your top three priorities for Ottawa's future?

Infrastructure

- Our roads are a mess! Glebe, Bronson, Sunnyside, Clementine, Carling. Unsafe roads are a safety hazard for cyclists.
- I will vote for the Road/Cycling budget and ensure we get our fair share.

Safety

- I will not support the lay off of 140 Police officers. I will support an increase to the budget providing these priorities are included:
 - Domestic Violence
 - Hate Crimes
 - Speeding in our community.

Affordability

- I will not support my opponent's 13% tax scheme, or a plan to create a municipal land transfer tax
 - These massive tax hikes hurt our seniors and those on fixed income.
 - Market value assessment will also hit Capital Ward very hard.
-
