To reach our collective potential, we must work together to build up Ottawa. That requires a council in which each member commits to city wide leadership. What is your intended approach to collaboration with council, city staff and economic partners?

As a Councillor I will listen to various opinions from fellow councillors, city staff and economic partners. Building consensus on initiatives would be the objective.

What key characteristics and skills do you possess that make you a great leader and ambassador for the city of Ottawa, and the national capital region?

I am proud of the city (especially Barrhaven East) and looking forward to serving as a Councillor. I want to attract good paying jobs to Ottawa. I am not afraid to reach out to companies and other levels of government to attract companies.
